HISTORY

Many years ago, in the fall of 1875, Father Buschle formally opened St. Edward's first religious school. It was one of only sixteen Catholic schools in the Diocese. Students were taught in a hall owned by John Barry until 1881 when the Parish built a one-room school. As soon as a home could be built for them, three St. Dominic Sisters came to teach: Sister Alexia, Sister Raphael, and Sister Lutgarda.

A second classroom was added to the school in 1891 and was used until 1914 when a two-story combination school/convent was built. The south end of the building was used for classrooms while the north end housed the Sisters.

Through the next several years enrollment increased, and once again the Parish voted to build. This time it would be a four-room school. Things went along smoothly until 1961 when classes had to meet in the basement due to lack of space.

After much discussion on June 24, 1964, parishioners voted to add on four new classrooms, which is our current building.

Through the years, there was a decline in women committing to religious vocations and thus the sisters left St. Edward School the summer of 1982. It was by the grace of God, that the Parish has been able to find dedicated Christian lay teachers to continue the mission of the school.

The parishioners of St. Edward have a long history of committing emotionally, physically and financially to the education of their children.

ABSENTEE PROCEDURE

Generally accepted excuses for school absence without advance notification include:

1) personal illness, 2) family illness, and 3) death in the family.

If your child will be absent from school, phone or email the office by 8:30 a.m. each day the child is absent and/or send a note to the school with the child. This should be done in the case of:

1) absence, 2) tardiness, 3) early dismissal, 4) leaving the grounds during school hours.

The student is required to give advance notice to the school in order to be excused for any other type of absence, leave, or family vacation. Parent/guardian is asked to keep children home if they are too sick to participate in school activities, including recess. Recess and gym can only be missed with a doctor note. Work missed by a student due to absence should be made up as soon as possible. If a child is absent 2 days, they have 2 days to get their missed homework turned in. When a student is absent for a long period of time, the report card may be withheld.

If your student has more than 10 absences or unexplained tardies, we will require a doctor note to return to class.

ADMISSIONS

Admission to St. Edward School is open to all students. There shall be no discrimination based upon sex, race, or national origin in the enrollment and participation of all students shall be given equal educational opportunities. The age requirement for children entering 3K is 3 years old by September 1st and 4K is 4 years old by September 1. The age requirement for children entering Kindergarten is 5 years old by September 1. Registration takes place in early spring.

Families are encouraged to be registered, supporting members of the Parish.

AFTER SCHOOL CARE

St. Edward School provides after school care, 3:00-5:30p.m. Monday, Tuesday, Thursday, and Friday and 3:00-5:00pm Wednesday, on full days of school. A qualified adult staffs the program. Parents may pick up registration material in the school office. After Care is a pay in advance program through punch cards. There is a \$25 registration fee to use aftercare.

ALCOHOL / DRUGS / SMOKING / G.B.D.B. 6144.2

The possession, sale, or use of alcohol, drugs, or any other controlled substance on the school campus is strictly forbidden. Violations will be reported to appropriate law enforcement agencies.

ARRIVAL / DISMISSAL

All students will enter school through the north doors. Students should not arrive at school before 7:15 a.m. and should leave for home promptly at 3:00 p.m. unless attending before/after school care or arrangements are made with the office. Students arriving after 7:50 am or leaving early must be signed in/out by a parent in the school office.

Children riding buses are supervised from the time they board the bus until the time they leave the bus at the designated stop. The designated bus company is responsible for supervision of students on the bus.

If a child is to go home a different way than normally done, a note, phone call, or e-mail (before 2:00) needs to be made to the school office or the child will be sent home the normal way.

ASSEMBLIES

Assemblies are planned periodically as special events on the school calendar. Some typical assembly themes include cultural presentations, and professional speakers. There is often a significant investment in time and money in preparation for an assembly program. Special attention to proper behavior and good manners is expected of all students.

ASBESTOS

Our school building does have some asbestos containing building materials in it, as do most schools in this country. These materials are in good condition, and we have an asbestos management plan in place to help maintain them and keep them from becoming a health hazard. We do regular six-month surveillances of these materials to ensure that they are staying in stable condition.

ATTENDANCE / STATE STATUTE 118.16

Regular attendance is essential to a student's success in school. Most subjects are taught in sequence, requiring the understanding of each concept in the order of its presentation. Persistent absenteeism creates a genuine hardship for a student and is regarded as a very serious problem. A child should learn early that school is important and growth will result if attendance is regular and effort consistent. No one, however, should attempt to attend class when they are ill.

BICYCLES

Please remember the township ordinance requires the registration of all bicycles. In addition, we suggest that students keep a record of their bicycle serial numbers in the school office. When traveling to and from school, parents should encourage students to obey all traffic regulations.

The school assumes no responsibility for bicycles. However, provisions have been made to safeguard bicycles by requiring them to be properly parked north of school. Bikes may not be ridden during recess. To ensure the safety of all, we ask that the students walk their bikes to and from the highway. Skateboards, scooters, roller skates, rollerblades, etc., may not be ridden or brought to school without permission.

ADVISORY COMMITTEE

The Advisory Committee is responsible for the operation and evaluation of the education programs in the school. The committee is accountable to the Ordinary of the Diocese of Green Bay and the Diocesan Board of Total Education. Pastors and administrators serve as "ex-officio" members.

The committee meets as needed. To be placed on the agenda of a meeting, a request in writing must be sent to the principal at least 2 weeks prior to the meeting.

BOOK CARE

Textbooks are loaned to students and are expensive. Therefore, it is the students' responsibility to take good care of all books and supplies belonging to the school. Fines will be assessed at the end of the year for lost and/or damaged books. Teachers will take care of mending damaged books.

BUILDING ENTRANCE

All visitors must enter through the North doors and proceed to the school office. All other doors will be locked during the school day. Visitors and parents are asked to sign in and out at the office. This is to help ensure the safety of the students. Anyone staying in the building for an extended period is asked to wear a visitor badge.

BUS

Bus service may be provided by the school district in which you reside. Bus routes and stops are planned and established by the school district. You may contact them for time and location of pick-up and drop-off.

If you wish to have your child picked up or dropped off at a different location other than your home address on a regular basis, as in the case of babysitters, the bus company, school district, our school office needs to know this before May 1 of the year that fall term begins. It is up to the parent or guardian to arrange it. We have no way of knowing individual circumstances unless you bring it to our attention.

Parents need to send a note stating if a child is to ride home with another student, even if the student is on the same bus.

Frequent rules established by the school district or the bus company.

1. Use only the bus and bus stop assigned.
2. Behave appropriately at the bus stop.
3. Remain seated, facing front, when the bus is in motion.
4. Talk quietly and make no unnecessary noise.
5. Do not talk to the driver when the bus is in motion unless it is necessary.
6. Keep head and arms inside the bus.
7. Do not litter the inside of the bus or throw anything out the window.
8. Be quiet when the bus is crossing railroad tracks.

Infractions of the above rules may be brought to the attention of parents. Continual abuse of bus privileges may result in the denial of transportation.

Parents who wish to make requests for changes in routes or stops should contact the school district or bus company. Students and parents are encouraged to immediately notify the administrator and/or the school district or bus company of any safety hazards, which they have observed during bus operations.

CAFETERIA

Lunch is from 11:25-12:00pm. Students are given about 30 minutes to eat lunch and 25 minutes for recess. We encourage parents to send lunches that are nutritious. Milk is available to students through a state funded program at a reduced price. Milk is paid for quarterly with the price depending upon current dairy prices.

Hot lunch is provided for a fee. Cold lunches should be nutritious and not include fast food.

The cafeteria, besides being a lunchroom, is also a place where good human relations can be developed. Students are expected to practice GOOD MANNERS. Simple rules of courtesy that will help to make the lunch room pleasant for everyone include:

Prayers before and after meals

Making an effort to eat the food served and not waste

Keep voice volume to a speaking tone

Leave table and surrounding area clean
Put garbage in proper containers
Walking at all times
Waiting quietly for dismissal

CANCELLATION OF SCHOOL

Cancellation of school takes place only during extraordinary circumstances such as extreme weather, equipment failure or public crisis. The advisory committee and administrators are aware of the hardship, which can be caused by an abrupt cancellation. Therefore, school will not be canceled unless a significant safety risk has been created by unusual circumstances.

Every practical means is used to notify parents of an impending cancellation. In the unusual circumstance where school must be canceled during the school day, the administrator will determine that all students have satisfactory transportation and supervision at their home before releasing them from school.

When weather conditions are such that the school must close, radio stations and local television stations will present the complete listing for both the parochial and public schools. Normally, Catholic schools will close when the public schools close. In the event of inclement weather, St. Edward will follow the Hortonville School District and the Freedom School District. We bus students from both districts, so if it is unsafe to drive, we will close. If it is a late start, we will follow Hortonville. Please do not call us. We need to stay in contact with the bus companies and surrounding school districts, so open phone lines are very important. If school has to be dismissed during the day due to some circumstance, please be certain that your children know where they are to go. Discuss this with them AHEAD OF TIME to avoid confusion.

Please watch for Hortonville Schools and Freedom Schools for a cancellation and Hortonville Schools for a late start on WLUK-TV. In case of a cancellation or late start, we will send a text through Flocknote, put the information on Facebook, and send an email to all families.

CHANGE OF ADDRESS / PHONE NUMBER

It is very important, for emergency and administrative reasons that every student maintains an up-to-date address and phone number record at the school office. Notify the school immediately if you have a change of address or phone number during the school year. This includes work, cell, and emergency phone numbers in case of emergency.

CHILD PROTECTION AND CUSTODY

Wisconsin Law ~ s. 48.981(2) states that "certain individuals whose employment brings them into contact with children are required by law to report any suspected abuse or neglect or threatened abuse or neglect to a child seen in the course of their professional duties. Anyone who suspects a child is being maltreated may make such a referral. Persons making reports in good faith are immune from criminal or civil liability. Reports are made to the county in which the child or the child's family resides." Therefore, if the administrator and/or teacher suspect child abuse or neglect they will contact the Outagamie County Child Protective Services.

St. Edward School abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order, the school will provide the non-custodial parent access to the academic records and to the other school related information regarding the child. If there is a court order

specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

COMMUNICATIONS

A family folder containing items of interest to parents and students will be distributed usually once a week, on Wednesday, Thursday for morning only students. It will go home with the oldest student in the family. We ask that you return the folder by the following Friday so that the folder will be in the office for the next week.

Announcements to be made or to be posted are done with the consent of the school administrator. We request that any announcements you wish to have made be brought to our attention by 3:00 p.m. on Mondays. If you have any materials for the weekly folder, please send them to the office then also. All enclosures in the folder are reviewed and must be approved by the administrator.

CONDUCT

The Christian behavior expected from students at school is a reflection of the values of common courtesy and safety considerations. Students are expected to:

- 1) respect individual rights and the rights of others in a comfortable and pleasant atmosphere
- 2) maintain proper behavior during class hours, including recess, and school related activities after hours
- 3) respect school/parish property

CONFERENCES

Parents/guardians are encouraged to keep in close contact with the teacher concerning the progress of their child. Contact can be made through notes directed to the teacher, personal telephone calls to school or conferences with the teacher after school. Do not wait for a problem to develop to express concern or seek advice or assistance.

Teachers will not be called to the telephone during the school day, since their primary responsibility is the education and supervision of their students. Messages will be taken and relayed to the respective teacher to be dealt with during a non-teaching or non-supervisory time. Emergency needs are an exception.

A parent/guardian who has a concern that deals with the administrator should contact him/her through a note directed to him/her, or by a personal telephone call. A conference can then be scheduled.

When a concern needs to be discussed, a conference is a way to ensure sufficient time to listen and talk things over. A spontaneous visit may not allow the listening and talking time that may be needed. However, it may allow time to set up a conference when needed.

School staff wishing to speak to the parent/guardian will send a note or email, and/or make contact by phone when desiring to speak about your child's accomplishments or progress.

The Pupil Progress Reports are issued four times a year at the end of each quarter

Conferences are scheduled at the end of the First Quarter. Conferences afford parents, as well as the teacher, an opportunity to question and to listen. Strategies should be planned for helping the child achieve the goals

that parents and teachers feel are realistic and appropriate for the child. Parents are required to attend Fall conferences. Spring conferences are usually optional. They may be requested by either the teacher or parents/guardian.

COUNSELORS

Counselors are not available at our school. They are available to assist students with speech, hearing, or emotional problems through the public school system. The Diocese of Green Bay offers these services through CSS and their satellite offices.

CURRICULUM

St. Edward follows the curriculum guidelines of both the state DPI and the Diocesan Dept. of Education. Because we are a Catholic school and religious growth is an important element of our program, St. Edward assists by offering a sequentially developed religion program and a complete basic elementary course of study. A student's sacramental preparation is also a responsibility of parents along with the teacher. A continual effort is made to improve the quality of religious and academic education. Every effort is made to update textbooks and materials being used. St. Edward exists for the students, and we are working toward developing the best education possible. All students are expected to attend weekly liturgies and any other religious services planned throughout the year. Parents are welcomed and encouraged to participate in these liturgies as well.

DRESS CODE

The dress code of children affects their behavior and attitude. It is the parent's/guardian's responsibility to send their children to school dressed according to the following dress code.

Hair is to be neat, clean and of a style which is appropriate and not distracting. Only natural colors.

Earrings must be small. Long dangling earrings are distracting and can be dangerous during recess and physical education times.

Make-up is not acceptable in elementary school.

Dresses, skirts and shorts are to be a reasonable length. They cannot be shorter than mid-thigh and should come below the fingertips of the student. Shorts need to be walking short length or athletic shorts.

Absolutely no short-shorts. If you think the shorts may be too short, they probably are!

Leggings may only be worn with skirts and dresses that are of appropriate length. The length must be over the fingertips. Leggings are not to be worn with t-shirts or sweatshirts.

Sundresses, tank tops, or other tops with spaghetti straps must have a shirt on underneath it or over the top. Tank top shoulder straps must be at least 2 inches in width.

Shirts advertising alcohol, cigarettes or unbecoming/offensive pictures or slogans are not allowed. Torn clothing with frayed hems or holes are also not allowed. No midriffs are to show when sitting, standing or reaching. The length of the shirt should overlap the waistband of the pants or shirt when standing. No words on the rear end of pants or shorts.

All students must have shoes for Physical Education class and students in 4th/5th grade must have a change of clothes for Phy. Ed, which includes a white shirt and dark shorts.

ELECTRONICS

All electronics including cell phones, Game Boys, etc., are NOT to be brought to school, unless specially stated by teacher or administrator. Ipods, tablets, iPads are allowed for educational use during school and will be determined by the teacher.

3. Home phone and parent(s)/guardian(s) work phone.
4. Emergency phone number of relative or friend.

EMERGENCY PROCEDURES

Emergency Procedures for:

- Fire (Fire Drill)
- Tornado (Tornado Drill)
- Bomb Threat
- Hazardous Spills
- Crisis Situation

are on file in the office and located in every teacher's handbook. Evacuation procedures and routes are posted in every classroom. Practice drills for fires and tornadoes will be conducted on a regular basis in accordance with state laws.

EQUIPMENT USAGE

Our school has a variety of educational, safety and janitorial maintenance equipment. Students are not permitted to use or handle equipment, unless they have official permission to do so. If school equipment is damaged because of negligence or unauthorized use, the person at fault is held financially responsible.

FAMILY VACATIONS

We encourage parent(s)/guardian(s) to plan vacations when school is not in session. However, realizing that such is not always possible, we request that:

If a vacation requires a child's absence from school, the matter should be discussed with the office and the child's teacher well in advance of departure. A written note must also be sent to the office. It is not sufficient to just notify the classroom teacher. Attendance is verified in the office. **All missed work must be made up after the student returns. Homework is not given before a vacation.**

FIELD TRIPS

Field trips broaden the educational experience of the students. Through field trips, students experience learning unavailable to them within their classroom, yet highly supportive of the curriculum.

Field trips and school related activities conducted under the supervision of the school staff are part of the school day and an extension of the classroom activity. All such activities must have the approval of the administrator before any preparations are made.

No student may participate in a field trip without a signed permission slip.

NO SLIP – NO TRIP!

FINANCIAL ASSISTANCE

No student will be refused enrollment at St. Edward School because of lack of funds. Contact the school administrator for further information. All requests are confidential.

FIREARMS, WEAPONS, DANGEROUS OBJECTS

The possession, sale, or use of firearms, weapons, or any other dangerous object on the school campus is strictly forbidden. Violations will be reported to appropriate law enforcement agencies.

FUNDRAISING

Fundraising shall be limited to activities approved by the Advisory Committee, Principal and Home & School Association.

GRIEVANCE PROCEDURES

All grievances should be settled “as close to the problem” as possible. The proper order is: Parent—Teacher—Administrator—Pastor. If a parent has a problem with a teacher, the parent must first speak with the teacher before going to the administrator. If a parent or teacher has a problem with the administrator, the parent or teacher must first speak with the administrator before going to the Pastor. If, in the end, an agreement is not met, the Pastor can contact the Diocesan Department of Total Catholic Education for assistance. The Total Board of Catholic Education has a Parent Grievance Process in which the proper order for handling grievances match this. To avoid rumors and unnecessary hurt, these steps must be followed.

GUEST SPEAKERS - GUEST PROGRAMS

Guest speakers and programs enhance the curriculum at St. Edward as well as expand horizons, opportunities and experiences. All guest speakers and programs must be arranged in consultation with the administration. Calendar dates must be approved by the office and cleared with the master calendar.

HARASSMENT/SEXUAL HARASSMENT/DB Policies 4160 and 4170 HARASSMENT

It is the policy of the educational programs governed by the Diocesan Board of Total Catholic Education to maintain a learning and working environment that is free from any type of harassment. No employee, volunteer or student associated with these programs shall be subject to any type of harassment.

It shall be a violation of this policy for any employee, volunteer or student to harass another employee, volunteer or student.

Each administrator shall be responsible for promoting understanding and acceptance of, and assuring compliance with local, state and federal laws and board policy and procedures governing harassment within the educational/catechetical program or office.

Violations of this policy or procedure will be cause for disciplinary action.

HEALTH AND WELLNESS POLICY

The Catholic Diocese of Green Bay recognizes that our bodies are a gift from God and therefore promotes healthy school communities by requiring wellness education and practices. These include:

Physical and nutrition education,

Physical activity,

School based activities to promote student health and wellness, and

Nutrition practices as recommended by the Diocesan Nutritional Standards and USDA Guidelines.

Administrators, faculty, and staff must promote these four (4) areas of wellness not only for the students but also for themselves in order to provide an example for the students. The Catholic Day School Advisory Council will review the specifics of this program and recommend Regulations to the Superintendent for Catholic Day School Education, which have been presented to them by the Task Force for a Diocesan Wellness Policy. These Regulations are a compendium to this Diocesan Policy.

The system or building level administrator(s) shall have the operational responsibility for the implementation and monitoring of the Diocesan Wellness Policy and Regulations. It is recognized that there may be rare special occasions when the system/school administrator allows a school a deviation from these Regulations. This must be documented with the Superintendent for Catholic Day School Education prior to the special occasion.

All snacks, including birthday treats must be of a healthy nature. Snacks made with fruits or vegetables are okay. Dairy snacks are okay as well as snacks made with cereal or peanut butter.

HOME & SCHOOL ASSOCIATION

All parents/guardians are members of the Home & School Association: They are encouraged to become active participants in this important organization.

The Home & School Association is a way of integrating the goals of home and school for the benefit of the children. All parents/ guardians, interested grandparents and parishioners are cordially invited to attend the meetings.

The Home & School Association has meetings approximately three times during the school year. Members are notified in advance of the meeting date and time. Leadership consists of a president, vice-president, treasurer and secretary. All serve two-year terms. The vice-president becomes the president the following year.

Each year the Home & School sponsors several moneymaking projects. These funds allow the Home & School to support many important activities for the school. Home & School also coordinates volunteer services and provides noon supervision.

MISSION STATEMENT

The purpose of Home & School is to establish an effective partnership between school personnel and parents (legal guardians) so that together they can provide a quality Catholic education for children.

OBJECTIVES

The objective of this Association shall be:

To foster a partnership between the parents and the school's administration and faculty.

To provide a forum of information sharing and communication among the administration, the faculty and the parents.

To provide formation programs for parents that will aid them in the education of their children.

To foster a spirit of community among the membership.

To provide auxiliary services, including financial aid, to the school that will assist it in carrying out its educational program.

HOMEWORK

Homework is an important extension of the teaching/learning that takes place in school. It can contribute to practice and drill that reinforces learning and can provide opportunities for study, research, and creativity. Parents can assist their children by providing a quiet place for the students to work and checking that assignments are completed. Although time will vary from student to student, average nightly work times by grade areas are as follows:

GRADES 1 - 2 - about 1/2 hour

GRADES 3 - 5 - about 1 hour

Teachers will **not** be expected to provide homework assignments in advance for students who will be absent. Students are responsible for obtaining and completing assignments when they return to school after any absence. Parents are to call school by 8:30 a.m. if they want to pick up a student's homework. Homework may be picked up at the school office between 3:00 and 3:30 p.m. or sent home with a sibling.

HOURS - OFFICE / SCHOOL

Office Hours: 7:15 a.m. - 3:30 p.m.

ILLNESS OR INJURY

In case of illness or injury a member of the school staff will care for a child temporarily. School personnel will render first aid treatment only. If emergency medical treatment is necessary and parents/guardians or emergency contact cannot be reached, the school will call 911.

The school will take advantage of any health services offered by local health organizations. Among services available are visual and hearing.

The school office must be notified if a student contracts a communicable disease.

LEAVING CAMPUS

Students are not allowed to leave the school campus during school hours for any reason without the written consent of their parent and without being 'signed out' by an adult. The student(s) must also be signed in again when they return.

LIBRARY/INSTRUCTIONAL MEDIA CENTER

The media center is available on a regularly scheduled basis.

Students are encouraged to use the media center/library during regular school hours with the permission of their classroom teacher. They may use the media center/library to read, check out books, return books, use audio-visual materials, do reference work or work on special projects. Students are financially responsible for fines, lost or damaged books/materials.

LITURGY

As liturgy is central to our faith, our students and faculty participate in liturgies once a week. Liturgies are usually celebrated on Fridays. Family members are invited and encouraged to participate in the scheduled liturgy with their children.

LOCKERS / DESKS

Students are expected to keep their lockers/desks orderly. Students are considered co-tenants of their desk and locker; therefore, the school reserves the right to search this property when an occasion to do so becomes necessary. The school cannot be responsible for valuables left in lockers/desks.

LOITERING

Students should leave the school and school grounds promptly after classes or activities are dismissed.

LOST OR STOLEN ITEMS

The school will not be held accountable for items lost or stolen. Children are therefore encouraged not to bring anything of value to school, or items which they would not like to have broken, since the latter may happen by accident.

Clothing items should be labeled with the child's name. Items found will be placed in a designated lost-and-found area in the office.

MEDICATIONS

The school secretary or administrator or a designated staff member will administer all medications.

Prescription Medications: School personnel will dispense no prescription medication to a student until they have in their possession:

A completed "Medical Provider Authorization Form" signed by the prescribing physician and

A completed "Medication Consent Form" signed by the parent/guardian.

In addition, all prescription medications must have the following information printed on the original container in language understandable to the lay person:

Child's full name

Name of drugs and dosage

Time and quantity to be given

Physician's name

Non-Prescription Medications (Over the counter): OTC medications will be dispensed with a signed "Medication Consent Form" from the parent/guardian giving permission, along with dosage/frequency/duration specifications. OTC medications should also be in original packaging.

In addition:

All medications (prescription & OTC) are kept in the school office.

All consent forms must be renewed annually and/or at the time the medication is changed.

A Medical Log is kept in the office by the person administering the medication (both prescription & OTC). The record shall include the student's name, name of medication, dosage, date & time given, and signature of the person designated to administer the medication. (See STED 5070)

PARENTS / GUARDIANS ENTERING SCHOOL

Any parent/guardian entering the school building during school hours is asked to first report to the school office. This is to ensure the safety and protection of you, your child, and the school.

If anyone other than a parent is to meet the child at school, please inform the school office. This is for your child's safety.

If a child is to be picked up during the school day the child will remain in class until their parent arrives. The parent/guardian must sign out the child.

PARENTAL RIGHTS

Parents/legal guardians have the legal right to challenge the accuracy of the child's record, or to deny the release of that record to a third party.

PARTIES

The staff, through the administration, will schedule parties for special occasions.

PETS

Pets of any kind are ordinarily not allowed at school. Teachers may give special permission for pets to be brought to school as part of a special program or activity providing that no child's health is endangered by the presence of that pet (allergies, etc.). Under no circumstances is a potentially dangerous pet to be brought to school. Pets are not allowed on the playground.

PICTURES

Individual student pictures will be taken sometime during the first month or two of school. Media release forms are signed by parents to have student pictures and information on our school website, Facebook page and/or newspaper.

PLAYGROUND

Only balls that have been approved by the staff are permitted on the playground. This includes footballs, basketballs, soccer balls, etc. No hard baseballs are allowed. Snowball throwing is prohibited, as is tackle football or any contact games. Students are expected to behave in a reasonable manner at all times and to obey the supervisory personnel. Failure to do so may result in loss of recess time.

PLAYGROUND SUPERVISION

One paid staff member along with one parent/grandparent, when possible, will be responsible for all students at noon recess each day. One paid staff member is responsible for students at morning recess.

PROMOTIONS AND RETENTIONS

Promotions and retentions are based on each student's academic, physical, social and emotional growth and involve consultation with parents, teacher(s), administrator and any other personnel involved with students.

RECESS RULES

The following are the playground rules:

1. Respect yourself and others
2. Kind words only
3. Do not push/shove/kick/hit
4. Listen to the adult on duty
5. Do the right thing

RELIGIOUS INSTRUCTION

Religion is taught in each classroom. Students will plan and participate in weekly liturgy as the year goes on. Sacramental preparation is a parish responsibility and is coordinated with the New Evangelization Coordinator.

The sacraments are usually held:

First Reconciliation – January/February

First Eucharist – April/May

SCHOOL SPIRIT

Colors: Dark blue and Yellow

Mascot: The Eagle

SCHOOL SUPPLIES

A supply list is provided when enrolling and at the end of the school year for the upcoming year. These supplies are modestly priced and easy to obtain. Items should have the student's name clearly marked in case they are lost or misplaced and should be replaced as needed throughout the school year.

SCRIP POLICY

St. Edward Advisory Committee utilizes the SCRIP program as one of the main vehicles for third source income to St. Edward School.

School families have a family fee of \$50.-/part time student,\$100.-/full time student and a maximum of \$250.-/family. These fees are met by using SCRIP. When a family meets their fee for the current school year, the percentage (which varies by each vendor) will then come off their tuition. The fee and tuition credit will be ½ of the percentage. Purchases are from April 1 – March 31 for each school year. Fees not met by March 31 will be added to the family's tuition statements.

Parish and other organizations within using SCRIP shall have their credits go towards the parish subsidy, not choosing a single family.

The Advisory Committee shall control the marketing and sales of SCRIP so as to keep with the mission/philosophy of St. Edward's school and parish.

The Advisory Committee determines the distribution of profits only after consultation with the school administrator and pastor. The committee will review the program annually at the May board meeting and is responsible for the program operations.

The Finance Council and/or Trustee of the parish, to ensure the accountability of the program to the parish, shall do an audit of SCRIP account no less than once a year.

Any person that the committee has designated responsible for the SCRIP sales at the weekend Masses, and thereby will be taking the SCRIP certificates to their home on this weekend, shall be listed on the Parish insurance records for this purpose. Funds raised by this account shall be used for unrestricted donations and/or tuition assistance.

STANDARDIZED TESTING

Students in grades 1-5 will participate in Renaissance assessments at least twice per year unless otherwise decided by Administration. This testing schedule complies with the State Statute regarding testing.

The school in evaluating and planning curriculum uses results of these tests. Individual student results are used in parent conferences. Specialized testing is available through the district for students with special concerns and needs.

SUSPENSION / EXPULSION

There are two general situations, which may lead to suspension or expulsion; both must be verified by evidence:

1. When the moral or physical well-being of the student body or staff is endangered.
2. When there is prolonged and open disregard for school authority.

Suspension is of a temporary nature and should be used only until the reason for the suspension is removed. Expulsion is permanent and must be reported to the local public school district administrator.

TARDINESS

Any child (grades 3K-5) who arrives at school after 7:45 a.m. is considered tardy. Any student arriving after 7:45 a.m. must stop in the office. **Any student arriving after 7:50 am needs to be signed in at the office by a parent or guardian.**

TELEPHONE CALLS

Faculty: Communications with the administrator and teachers are encouraged. However, teachers are teaching between 7:45 a.m. and 3:00 p.m. They may not leave their classrooms to receive a phone call. You may call the school and leave a message for the teacher. The teacher may then return your call at his/her earliest convenience.

Pupils: Only extremely important messages may be delivered to a pupil during school hours. Students do not have access to a telephone while at school. In case of emergency we may make an exception.

Permission to go to a friend's house, go to a game, forget their lunch, forget their homework, etc. does not constitute an emergency. Permission must be given BEFORE the student leaves for school in the morning. If the student forgets their lunch, the student will eat hot lunch and we will send a note home with the amount you would owe.

TOYS

Toys and other items from home should remain at home unless brought to school for "show & tell" or with permission by a teacher or administrator for classroom purposes.

TRAFFIC

Drop off will be at the front north office door. Students will need to be dropped off outside the door. A staff member will meet 3k, 4k, and kindergarten students at the door and walk them to their classrooms until they are comfortable on their own. Please wait with your young child if a staff member is not available immediately. Kindergarten will catch on quickly and soon be able to walk themselves down within a couple of days.

- Pick-up will be in the back parking lot. The buses pick up in front. Teachers will be walking their students outside under the carport. Please park facing the building in the middle parking spaces. We don't want anyone backing up for safety reasons. Please walk to get your child. We will not send them to your car or across the parking lot. We ask that you leave quickly. Pull forward and exit by the cemetery or the far north exit. Please do not drive through the carport for the safety of students.

TRANSFER

When transferring to another school, records will be issued upon receipt of a written request from the new school. Parents should notify the school office in written correspondence at least one week prior to the child's last day of attendance at school.

TRUANCY/WI STATUTES 118.15 and 118.16

Students are expected to be in attendance on scheduled school days. Unaccountable absences will be referred to the proper authorities.

TUITION

The Advisory Committee reevaluates tuition yearly. Tuition money should be paid at the school office. Checks are to be made out to St. Edward School. There is a 5% discount after the first child given to families with two or more students attending St. Edward full time. Parish members are expected to pay parish dues. A payment schedule will be established at the beginning of each school year. All families paying monthly will pay by direct deposit. The SCRIP family fee is considered tuition. No student will be refused enrollment at St. Edward because of lack of funds. For information regarding this, contact the administrator.

We request any money be sent in an envelope labeled with the student's full name, the amount of money enclosed and the use for the money. All monies should be given to the classroom teacher at the START of the day. This would include money for field trips, milk, tuition, etc.

VANDALISM

Willful damage or destruction of school and/or parish property is cause for immediate suspension and possible expulsion. The school requires that the student(s) according to the terms determined by the school administrator make restitution.

VOLUNTEERS

St. Edward has a variety of volunteer opportunities throughout the year. At the beginning of each school year, we will be asking for volunteers in a number of areas. Please watch for opportunities that parents/guardians may sign up for. All volunteers will be informed of their responsibilities and expectations. The Diocese of Green Bay requires all volunteers assisting in school to attend a "Protecting God's Children" (VIRTUS) in-service and submit a background check.
