### **Registration**

Registration for the 23-24 school year began this week. **There is a \$75 registration fee per student if you have not registered yet.** Students in 3K and 4K will receive \$500 off their tuition for each year attended when their child is in kindergarten. The \$500 began this year, so current 4K students will receive \$500 towards kindergarten next year.

### **Referrals**

Know someone who would love to come to St. Edward School? If you refer a new family, you would receive \$100 off your child's tuition. The best referrals are from happy people!

### **School Choice**

Returning students going into 4K, K, and 1st grade are eligible for the School Choice program if your income qualifies. School Choice registration begins on February 1st. Returning families to school choice will need to register on our website and with school choice. You will need to bring a proof of residency document to the office once you register. New students to school choice will need to register and then give me the documents that it requests, as well as a proof of residency document.
