5th Grade Graduation and Mass

The 5th Grade Graduation Ceremony is on Friday, May 26th right after the 8:15am Mass. The ceremony will be less than 30 minutes. The 5th graders will then be finished with school for the year after graduation and can leave with their family.

Last Day of School for 3K - 4th Grade

The last day of school for 3K - 4th grades is on May 31st. We will have a school Mass, followed by fun on the playground. Students will be dismissed at 10:30am. There is not busing that day, so please plan on having someone present to pick your child up at 10:30am.

4K Graduation

There will be a 4K Graduation ceremony on Tuesday, May 30th, at 10:30am and doors will open at 10:20am. Graduation will be in the school gym. Feel free to take pictures after, but we ask that all 4K students stay at school since it is their last full day.

Flags at Mass this weekend

For Unselfish Day we made tags to put on little flags from our school. We would love to pass these flags out after the Saturday and Sunday Masses this weekend for Memorial Day. Please let me know if your family will be attending Mass this weekend and would be willing to pass out flags. It would look so much better to have kids passing them out, instead of having them sitting in a bucket. Thanks in advance.

Dunk Tank change

Due to the cooler weather and wind, the dunk tank will be on Thursday instead of today. Students who turned in their summer reading sheets will get a chance to dunk me. Then there will be other staff sitting in the dunk tank, so everyone will get a chance to throw a ball.

News from the Tractor Pull Committee:

St. Edward Parish's annual family fundraiser, the Mackville Nationals Truck and Tractor Pull, will be held Thursday --Sunday, June 15-18. All the proceeds fund the needs of our parish, which in turn keeps St. Edward School alive and thriving.

Some simple ways that you can help make the event a success:
