Thank you to all families that were able to join us for trick or treating on Halloween. We had an amazing turnout and the kids went home very happy!!!

We also want to thank every family for coming to conferences. We had 100% of our families attend! It definitely was a wonderful two days! Thank you to home and school and many others for the treats for the staff during conferences!!! We appreciate all of you!

Warm outside clothes

Please send warm clothes now for recess. We do go outside every recess unless it is raining or below zero wind chill. At this time of year it could even snow. Once it snows, students will need boots, snowpants, hats and mittens in order to play on the playground and in the field.

November 26th - Lunch and NO AFTERCARE

On November 26th we are going to provide some kind of lunch that we order in for the students. This will be paid for by school. We will be sending out a form next week so you can choose which meal your child would like.** There is no aftercare before vacations. So please plan ahead for Tuesday, November 26th, to have all children picked up or ride the bus home at 3pm. **
