December 4, 2024

*****Reminder that there is no aftercare on Thursday, December 19th, due to the Christmas program that evening. ******

Snow and Late start days reminder

Just a reminder that we follow both Hortonville and Freedom if there is a snow day. If either one calls the day off, we will also be off. If Hortonville calls a late start, Saint Edward will also have a late start. If Freedom calls a late start and Hortonville does not, Saint Edward will start on time and Freedom bus will run two hours late. We will send a text to those families that signed up for our mass texts. You will also receive an email and it will be posted on Facebook.

December fun days

In today's folder we sent home a calendar for the next 12 days of school.

These are supposed to be days the kids can look forward to and they help keep them motivated to do their best during this crazy, busy Christmas time. Tomorrow we are all wearing Packer clothes to cheer on our Packers as they play the Lions tomorrow night. Students will be able to participate in all the fun days as long as they have their homework completed and they are following the school rules.

3K and 4K Christmas Concert

The 3K and 4K Christmas concert will be on Wednesday, December 11th, at 11am. The concert will be held in the gym and doors will open at 10:40am. Please enter through the main office doors. This concert is about 20 - 25 minutes. Students who stay all day will remain at school after the concert for a normal afternoon.

Kindergarten through 5th grade Christmas program

The kindergarten through 5th grade Christmas program will be on Thursday, December 19th. The shows are at 1:30pm and 6pm in the gym. Doors will open at 1:10pm for the afternoon show. Please enter through the main office doors. Doors for the evening show will automatically open at 5:30pm. The north and south doors will be open. Students will need to be back to school and in their classrooms by 5:40pm. There is no aftercare on this day

Winter clothes

Students should be bringing warm jackets, hats, and mittens to school. There is snow in the forecast and they will need to bring boots and snowpants for the snow. Students can only play in the field and on the playground if they are dressed in snowpants and boots once we have snow. Students not dressed appropriately will be staying on the small cement area by the fence. Please be sure to send snow clothes daily once the snow flies. We do send all snow clothes home daily. Nothing is kept in lockers because wet clothes need to be dried and they smell if left in a closed locker.

Illnesses

We want your child in school as much as possible, but we know that illnesses happen. We want to remind you of our guidelines for when to keep a child home.

- If your child is sick, please keep them home. We will be sending any student that the teacher feels can't function in class home to recover.
- If your child has a **fever above 99.5 degrees**, we ask that they stay home for **24 hours** after their fever is gone without fever reducing medication.
- If your child has **diarrhea or is vomiting**, we ask that your child stays home for **36-48 hours** after the last time they vomit or have diarrhea.

Important Days:

December:
