Fish Fries

The last fish fry of the season is on Friday, April 11th, 4:30pm - 7pm. If you have not tried it yet, this is your chance. It is the best one around.

3K/4K Spring Concert

Please save the dates for the 3K/4K spring concert. The concert is on April 24th at 11am. Doors will open at 10:40am. Enter through the north office door. Let the grandparents and friends know!!

K-5th Spring Concert

Save the date for the K - 5th concert. The concert will be on May 1st at 6pm. Students need to be in their classrooms by 5:40pm. Doors will open at 5:30pm.

End of Year Change to the Calendar

Due to four classrooms getting new carpet and needing asbestos removal, we are changing the last day of school to Wednesday, May 28th. They need classrooms packed up and ready to be moved by June 2nd. Saint Edward has many extra "snow" days built in, so this in no way will affect our hours for the state. The 5th grade will be graduating after the 8:15 am Mass and the entire school will attend Mass and graduation. We will then have a picnic and snacks on the playground. Students will be dismissed at 10:30am.

Help needed to move furniture and boxes

The week of June 2nd, the building and grounds committee is looking for volunteers to move furniture and boxes in classrooms. If you are available please let the office know. They are willing to work during the day or in the evening.

ABC Countdown

In today's Wednesday folder you will find the ABC Countdown. Each year we countdown the last 26 days of school, (now the last 24). X and Z will be all on May 28th. We do this countdown to keep students interested in continuing strong at the end of the year. Students may only participate if they have their work finished and their behavior is up to expectations. It is a fun way to finish the year!

Outdoor clothes

You do not need to send snowpants unless it snows or your child would be cold at recess. Some students like to wear their snowpants especially during morning recess. The field is starting to dry out and the weather is getting warmer (we hope that continues). Please continue to send coats, boots, hats, and mittens for a while. When the weather will be 65 degrees or warmer, shorts are fine.
